Three Bedroom Penthouse with pool in Bahia de la Plata, New Golden Mile

Starting Nightly Price Of €150

The access to the privileged urbanization is controlled at all times by a security booth. The illuminated exterior pools and the children's pool together with leisure areas where you can find a heated pool, covered paddle courts with glass walls and indoor space for social activities make the apartment an ideal holiday location.

The majority of the apartment has been built open plan in order to maximise the natural light that comes through the large wall-to-wall window in the living room. Through the front door, guests will find the kitchen in front, the guest bathroom with shower immediately on the left, and beyond that 2 double bedrooms. The kitchen has recently been renovated to a luxury standard, and includes all of the appliances expected of a high standard property such as this.

- Hair dryer
- Iron & Board and Washing Machine
- Kitchen Stove
- Microwave & Oven
- WIFI
- Private balcony & Terrace
- Safe
- Towel-set & Washbasin
- TV

The living room is well furnished and enjoys an abundance of natural light. There is both Wi-Fi and a large TV in this room, but it is doubtful that this will draw too much attention from the spectacular view's guests have from the main window and terrace.

The master bedroom is to the right of the living room. This spacious room has its own television and direct access to the private terrace, as well as having an ensuite bathroom.
