

Duplex Puente Romano Penthouse - The ONE

Starting Nightly Price £630

Unique 5 bedroom penthouse with arguably the best sea views of all the properties in the Puente Romano area. The property can be rented in either 5, 4 or 3 bedroom format (prices may vary).

Following a recent renovation, the penthouse is now the only apartment residence that can accommodate up to 10 guests, with 3 large king bedrooms and 2 bedrooms with 2 twin beds each. All bedrooms are ensuite.

The interior of the penthouse has been redesigned by a famous Marbella based Interior Designer, and now enjoys Home Demotics.

The lower floor has 4 of the bedrooms, including the master bedroom. Here two of the bedrooms have access to their own personal terraces, which overlook the beach and Mediterranean. Upstairs is the final bedroom, guest toilet, modern open plan kitchen and living room. There are also two large terraces, one of which has seating for dining while looking over the coastline towards Puerto Banús, and the other has comfortable outdoor lounge seating, sun beds, and it's very own private swimming pool.

The upper floor of the penthouse also has direct access to the elevator, making it perfect for families and those who struggle with stairs.

The world famous Puerto Banús is an easy 20-30 minute walk along the Paseo Maritimo (seaside walkway), or just a couple of minutes by car.
